

Pittsford Zoning Board of Adjustment VACANCY

Interested in land use issues? The Town's five-member Zoning Board of Adjustment (ZBA) has a vacancy. Meetings are relatively infrequent—generally a handful of meetings per year. Help your neighbors and colleagues address commercial use applications and resolve zoning-related disputes. Requirements include an ability to apply current rules with common sense and impartiality. Town-funded training opportunities exist. This is an unpaid volunteer position, and compensation comes in the form of assisting your community and keeping Pittsford a great place to live.

Please contact Town Manager Ann Reed to express your interest in serving. She can be reached via email at manager@pittsfordvermont.com or by phone at 802-483-6500 x 200.
