The Town of Pittsford is seeking an enthusiastic, hard-working, innovative individual for the full-time position of Recreation Director.

The successful candidate will be able to plan, staff, and oversee a variety of recreational programs and events, both supporting existing initiatives and developing future programs and events for Town residents throughout the year. This includes already in place programs including basketball, baseball/softball, soccer, summer day camp, disc golf events, and overseeing the maintenance of the trail system. The Recreation Direction also manages the 48-acre Recreation Area and its many amenities and supervises a part-time groundskeeper.
