APPRENTICE WANTED – WATER/WASTEWATER DEPARTMENT

The Town of Pittsford is accepting applications for an apprenticeship program in our water/wastewater divisions. This is a part-time, up to 20 hour per week position to learn the roles of water and wastewater within a municipality. Hands-on training will be required and there will be both in class and field work done to become licensed as a water and/or wastewater operator through the State of Vermont. The ideal candidate would be a high school student interested in a career path involving municipal water and/or wastewater treatment facilities. Please reach out to Ann Reed, Town Manager, for an application and to apply for this position. She can be reached at manager@pittsfordvermont.com or 802-483-6500 x 200.
